

FISCAL NOTE/CAPTION BILL

HB 614 - SB 1207

March 11, 2003

CAPTION BILL: Fiscal note reflects amendment filed to lift bill from Senate Clerk's desk (004377).

SUMMARY OF BILL: Allows churches, civil, fraternal and veteran's organizations to obtain food from other such organizations without those organizations being subject to food service regulation by the Department of Health.

ESTIMATED FISCAL IMPACT:

Decrease State Expenditures - Not Significant

Currently under TCA 68-14-315 such organizations would be exempt from the payment of permit fees but not from regulation by the department. This bill would exempt such organizations distributing food from regulation. Reducing the number of entities regulated by the department is estimated to reduce expenditures to the department, however, the amount of such decrease is estimated to be not significant.
